Second profile: <https://hackforums.net/member.php?action=profile&uid=1254330>

(Has scam Reports.)

Story: So basically, this user added me on skype with no link to his profile, i agreed to deal with him which was stupid on my part, let alone go first to him. I found one of his old profiles:

<https://hackforums.net/member.php?action=profile&uid=1254330>

NOTE: I found that after he scammed me.

He said he was banned i agreed to deal with him regardless, i was desperate for 50M and didn't think any body would be that low as to scam for \$25, I sent him the money then he swiftly blocked me on skype and sends me a PM: <https://i.imgur.com/aEqQV.png>

Proof is below:

Payment: (Getting Proof Now.)

PM: <https://i.imgur.com/aEqQV.png> (He sent that after HE scammed me.)

Logs: (Getting Proof Now.)

Other info: Didn't think anybody would be that low as to scam for 50m, lol oh well, GF \$25. This kids a sad idiot, iv'e sent him a PM asking for my money back but i guess he is going to cook some fake evidence and stick with his BS story.

My old thread with a bunch of vouches:

<https://hackforums.net/showthread.php?tid=2606065>

EDIT: He photo shopped evidence, why in the fuck would i scam a kid for \$25? Wow this poor cunts fucking desperate.

EDIT: He has multiple accounts, look at the REP on both his profiles.

EDIT: This user should be fucking banned for multi accounting & he has scam reports on his other account, what a piece of shit. Thinks he can just steal my \$25 and get away with it.
