SeventhS - September 29, 2012, 1:42 pm

I guess I will take one?

Thanks a lot :3

KyleWTF - September 29, 2012, 1:43 pm

May I have one as well? Text = "KyleWTF"

Thanks man.

-Lebron - September 29, 2012, 2:01 pm

I would love one of these can you make it say "-Lebron"?

?Eatos - September 29, 2012, 2:33 pm

Here you are guys:

Thanks for showing interest :)

Phazer - September 30, 2012, 2:56 pm

Looks really cool!

Could I get the .psd of one with "Phazer" for the text.

Thanks in advance!

FYI OP did not make any of these. He is using a website. Just Google 'Animated Userbar creator'.

Seriously... What are you talking about...? How hard do you think it is to make such a thing?

EDIT: proof:

I was just wondering what font are you using for the small letters. Also, could you make a tutorial on how to make a box like that? Not a gif or anything in it, just the box. Thanks.
