Thread: [free/reduce amazon shipping fee from amazon products?](#)

Herbert - September 30, 2012, 12:33 pm

Hey guys,

I was wondering if there was a way to get free shipping to Europe.
I'm getting ridiculous high shipping fee that makes the price twice as high.

Regards,
Herbert.

There is no way going around it but what are you looking to purchase I might be able to help you?

I'm pretty sure you can sign up for a free month of Amazon Prime and get free shipping for a month.
Amazon Prime is a good deal.

Thanks but don't really need it anymore, Amazon blacklisted me for no reason.
got a 120\$ check out of them though.

How did you get the check? When you're blacklisted do they give you your gift card balance as a check or what.

Yes they send it to your address.
and close your account and all orders which are still open.
