Ok, You can find an protected NETWORK cams.

Like business, house, public bulidings, police stations/government buildings (if you get lucky enough), etc.

Post the weird/interesting ones you find :D

just google any one of these ->

inurl:/view/view.shtml?videos=

inurl:ViewerFrame?Mode=

inurl:ViewerFrame?Mode=Motion

inurl:ViewerFrame?Mode=Refresh

inurl:axis-cgi/jpg

inurl:indexFrame.shtml Axis

inurl:indexFrame.shtml "Axis Video Server"

inurl:lvappl live webcams

inurl:LvAppl intitle:liveapplet

inurl:"MultiCameraFrame?Mode=Motion"

inurl:"viewerframe?mode=motion"

Here are a couple I found:
