The forum looks quite nice but I suggest you get some content filled out. The theme is also quite good for a forum of that niche.

Thanks and yea, I was going to purchase and ad on FK but its down haha

I am looking into other sites that would be effective when advertising.

PM me the site please, and I am considering buying HF advertising if they allow you to advertise other forums, it should be fine though because its not a Hacking forum so its not competition.

Just signed up. :)

This looks like a very amazing site. It also has a very clean theme.

Love your domain, quite a lucky guy to nab it as it's pretty original.

**imAnoobLOL** - October 4, 2012, 8:28 pm

Make me staff on the site, I'm sure I can help out. :D
