Thread: [Oldest member on hackforums infecting hackforums members](#)

CMDHax - October 4, 2012, 8:27 pm

Well I decided to look and see who the oldest member was and I was surprised to see he had a JDB on his profile.

Warning: Do not click the link and run the JDB or you will be infected

Maybe you should have contacted Omni or another Admin about this instead of posting it on here, now people might click it for fun.

P1AYA4LIFE - October 4, 2012, 8:29 pm

This could be a joke, or I have no clue. I don't really know anything about bitcoins.. Probly just a troll tho
