Thread: [Are you allowed to give away porn username / passwords on hackforums?](#)

PrivateDonut - October 7, 2012, 1:16 pm

The title says it all, I wanted to know is it against the rules, etc to make a topic about porn sites haha and give away usernames / passwords to people? xD?

G??n - October 7, 2012, 1:17 pm

No, I don't think you're allowed to do so.

A True Bad Ass With A Gun - October 7, 2012, 1:18 pm

No you are not allowed to giveaway porn accs

Natas - October 7, 2012, 1:18 pm

No you are not how ever you can give / get pictures in the E whore section.

Numinous - October 7, 2012, 1:18 pm

You r nt allowed to do this

Kindly please read the rules

PrivateDonut - October 7, 2012, 1:19 pm

Alright, Didn't think so just was going to "share" haha. Anyways thanks for the reply.

TwinBlade - October 7, 2012, 1:19 pm

no it is not allowed in public, but i doubt it's allowed in pms..

if they banned you.. ddos them with your highly shelled anonymiated booter!!

No, you can't give away porn accounts.

It is written in the rules of the giveaways section.

8. No adult images, adult links, or adult account trading.

Giveaways are still considered "trades" even if you're receiving nothing.
