Do you do achievements? Or reputation or something like that?

Frags - October 14, 2012, 6:39 am

Is this service done by hand or is it botted? If it's botted what bot do you use?

mayboz127 - October 14, 2012, 6:17 pm

I do it by hand.. Haven't been home lately might close this service soon if I get a job. No need to work so hard for little pay lol. If I don't get a job I will make this a full time thing and might open more options ex: achievements,rep ect. ?

Tagster - October 27, 2012, 7:35 pm

Vouch. Got my level 70.

Your picture is broken by the way.

.eXe - December 11, 2012, 5:16 pm

Vouch for this guy. I recommend him. Cheap, allows custom powerlevelling packages. I think he could do with concentrating on one account at a time though or recruiting a helper as he went over my promised time scale by a couple of days, but all was quickly solved.

SIM-1205785 - December 24, 2012, 12:49 pm

Fast and nice power leveling.

KILLZODE - September 30, 2013, 6:42 pm

I can vouch for this he still is in service,
I have power leveled with him many many times,
and have known this user for a while.
HUGE VOUCH don't hesitate to buy.

mayboz127 - October 8, 2013, 1:03 am

For now feel free to PM me on HF or Skype about prices or negotiating a deal. I am a more active user on Skype than I am on HF due to the fact I can't change my image thread, no need to really check it so I am probably 99% available on skype.

My general prices for my services on wow (EU & US)

As always, the cheapest prices found anywhere for my type of cooperation with the constant updates on the account and always willing to negotiate a trade or something of the sort if you don't have enough money.

aermoid - December 19, 2013, 9:43 am

Is this service still available?

I'm looking for 43 - 60.

US account, please PM me.
