Was there a purpose in this deface?

cpnm1 - December 21, 2012, 12:32 am

security...

just want them to be inform that their sites are vulnerable

There is no need to deface. This can be done by reporting them via Contact us page or with an email.

My advice; don't do it again.

It's not worth it.

Good to hear that you stopped . Otherwise i would asked you too "WHY?" .

Do hacking but not wasting time , Hack for special cause only,goal etc.
