Hello HF.

There is a method to get Free Iphone or Flight tickets to any airline you wish, you choose.

This works for people only from united states.

Post below and PM to me. ?

Not free by any means. You get HIS website address which you go to, and then click a link which re-directs you to one of those "Submit Email" sites and you must continue on to complete like 15-20 different offers on the pages to get your iPhone or Airplane Tickets.

Do you have proof of this? All offers I have ever seen or heard of like this have NOT worked.
