This is legit vouch for Xe Tu7 :) hes a good friend of mine

Xbox One - October 13, 2012, 11:11 pm

WTH does everyone ask for vouches that gets so old. 2 pages of it after he gave 1 away and he had another member vouch

Dre GT - October 13, 2012, 11:32 pm

First of all, the vouches don't even show profiles, second this is the same price as all the other shops so I wouldn't consider this cheap and last but not the least the graphic design for this thread makes my eyes hurt, sorry.

Mr. Nick - October 14, 2012, 12:33 am

Lol \$55 for 1,000 subs? That's not cheap at all.

Kentucky - October 14, 2012, 3:52 pm

Lowering the prices of the subs still selling c'mon guys!:)
