Thread: [RazorCrypt - The last lifetime license EVER!](#)

Raz?r - October 10, 2012, 3:10 pm

Hey Guys!

I'm nearly done with the new C++ version of RazorCrypt.

It was a lot of hard work and i can promise you it will be one of the most awesome Crypters you have ever seen.

So, now i am in the last days testing & fixing stuff.

Seeing my Crypter works that nice just makes me happy!

So i decided to giveaway 1 Lifetime License (this is very rare, as there is no lifetime plan anymore!).

The winner can decide to keep it or sell it.

So how do we proceed?

Just fill out this simple form and post it here:

Code [b]HF Name:[/b]

[b]Number between 1 & 30:[/b]

[b]Sell it or keep it?:[/b] warning this decision is final!

[b]Do you agree with the ToS of RazorCrypt?[/b] Yes or No

[b]Thank you razor, i'll love you forever![/b]If your number is already used, i will give you an other one.

Don't join this contest if you don't agree with the RazorCrypt ToS!

You can find the ToS in the official RazorCrypt Thread!

The number after your name, is just the page you postet on, so i can find you faster ;)
