What do we do?

- We will spread your file via Torrents.
- We will let you relax, and see how fast it is.

Our special offers to you:

- Beginner Plan
  - Are you new / or want to start your business, like BitCoin mining? Then lets go!
  - \$1.5LR/\$4 Paypal/0.9BTC
- Medium Plan
  - Okay, so now you're more into business, and you want more? This is the one to pick.
  - \$3LR/\$8 Paypal/1.80BTC
- Pro plan
  - This one is hardcore: you need quite a lot of bots and fast? That'll do the trick. Don't worry, sit down, and relax. ? It is not equivalent of two Medium plans, this is something for pros.
  - \$6LR/\$16 Paypal/3.60BTC.

You have to give a FUD file.
