3 weeks? That's supposed to be 3 episodes, It's only been two episodes since it's release on Oct 9. And what chicken?

Lol your thinking of Tonari no Kaibutsu-kun :P.

Anyways, I still gotta watch the second episode for Sakurasou, but overall I find it to be a worthwhile SOL anime.

I totally was. I was looking at a gif from it earlier, and the name was stuck in my head.

My mind has been elsewhere today.

Also I don't like whoever is doing the subs. They tend to drop them if there's text on screen, like on a computer or book. It's quite annoying to have to stare at the Romanji, and try to figure out what is being said.

Sorry but I felt the need to this because this weeks episode was just too touching.

4 awful and heart wrenching moments that literally would just make you cry. (Well I did since I watched it at a bad day :()

I'm surprised that this isn't an ongoing thread.

Words cannot express how anxious episode 21 has made me. Especially that end.

Shiina's voice is also super kawaii when she's serious.

Don't worry, I too shipped Kanda Nanami, but at the same time I also shipped Kanda Shiina.

But think of it like this: Nanami is willing to watch Kanda be happy because she isn't selfish and never has been.

Plus you gotta admit, Shiina has the most kawaii voice ever.

I'm quite surprised that there is quite a lot of dramatic elements in this, considering the fact that it was just advertised as a Slice of Life/Comedy show.
