Heyo,

I need a Logo for my Business.

It needs to be something special but not to crazy.

I need a LOGO ! NO FONT !

Use max. 1 Letter in the Logo, more if u can build it good into it !

Some Infos:

Name: Relight

What do i do ?: Fitness & Coding (Dont write it in the Logo ! Make it that it looks like it !!!)

Color: Green should be inside

Have fun to create it !

This is a Challenge & i will only pay the best one !

If u made a Logo post it HERE !

I wont accept PM's !!!

Ill pay between 30-40\$

If u need any Infos post here !

If u are good its not wasted time becuz ill buy it than ?

If u are bad, yeah its wasted time, but u know it yourself if u are good or not in creating it.

Your grammar hurts my eyes. And the trick is to find someone who's good in the first place, so put requirements on it, don't just say "If it's not good I won't pay"

No, I'm not applying here
