Thread: [The Exchangers - PPD Exchange | Link Exchange | More \[Applications Open\]](#)

Isildur - October 19, 2012, 2:19 am

Hello HF!

NOTE: Exchangers is not an OFFICIAL Group of HF. No staff member or admin of HF is responsible for any of the activities of this group.

This is Arhenius. I have recently started a new UNOFFICIAL group on several forums, called 'The Exchangers'

==

About 'The Exchangers'

The Exchangers is a group where people share their PPD downloads For Downloads, Link Shorteners Links [Adf.ly, for example] For Links, Adsense Clicks For Clicks, etc.

==

Why Someone should Join Exchangers?

If you are looking forward to earn more using your current sources then this is the best of which you can think of. we have people from different countries mainly from European countries who come online daily & exchange their links.

==

Is there any risk of suspension of my accounts?

No there is not, since we all belong to different countries & have different IPs.

==

How to enter this group?

Just fill the below application form & post it in reply to this thread. Each member's application is monitored by either of the two group leaders of 'The Exchangers'.

==

Form:

Code [b]Name:[/b]

[b]Skills Related To Monetizing:[/b]
