But is it updated that is the question.

Since my laptop is crapping out on me lately I can barely use C4D or PS :l

Need a way to fix this.

Then I'll make the greatest tutorial ever ;)

quick question:

how can I duplicate this logo

thank you SIR

Ryuuji Takasu - June 13, 2014, 1:17 pm

I am back woohoo.

Got a tutorial coming up to how to make a brick wall ^_^

See if this will fit somewhere <https://www.youtube.com/watch?v=a6dogKt2Nkg&feature=youtu.be>
won't make a thread for it as it seems unnecessary

KSSnacks - June 22, 2014, 12:15 pm

It sure would be nice. Unfortunately compilation threads aren't looked too highly upon.

Yore - August 16, 2014, 9:30 am

Hello Bad Meets Evil.

I recently made a tutorial on a "glitch" effect, so I'd appreciate if you would add it to this thread.

A thread design? Just look at how they are designed - they are easy to replicate.

At a basic level, just boxes with text in them.

My tutorials can be applied to threads though to make them look better.

Serendity - October 22, 2014, 9:37 pm
