The sales started again! You can get this for only 10\$ a month!

You will receive payment details in maximum 12 hours after you PMed me!

You will get download link and serial code almost instantly after you finished the payment!

EDIT: Added video proof and virus scan!

**Chuck Norris** . - November 18, 2012, 9:27 am

This is one of the cheapest crypters on HF. Give it a chance.

**DataBus** - November 18, 2012, 10:50 am

looks great good luck with sales bro

cheers

**Chuck Norris** . - December 11, 2012, 8:24 am

I am selling this again. This is fully undetectable and very simple to use.  
Works with Windows 8.

**Taphox** - December 11, 2012, 11:19 am

I PM'd you. I hope I'll receive one back soon. I would really like to have this crypter. Thanks.

How often does this update? Is the runtime also FUD?

I'll buy this after I finish with my old crypter's subscription. :)

I want to try it out.

**Polymatical** - December 26, 2012, 8:20 am

Vouch for this seller. He's legit and knows what he's doing. Anyone looking to purchase a crypter would be stupid to go with anyone else. Speaking from personal past experience, of course.
