Thread: [?Perfect Social Ewhore?Brand New - Emma ?Direct Mediafire Link?](#)

**panda00** - October 21, 2012, 5:51 am

Look at this girl, she is perfect for social sites if you're using social engineering to get bots then this pack is perfect for you. There is roughly 60 pictures all of the same girl. Her name is Emma and this is sweet victory post, Enjoy.

She wanted to be a troll to me so i downloaded all her pictures off facebook and uploaded them to mediafire to bring them all to you.

**imaginehackland** - October 21, 2012, 7:18 am

Thank you very much :) but the pics are not high resolution.

**panda00** - October 22, 2012, 2:17 am

I never said they were ;) but i know it was just quickly put together.

**Lolxzd** - June 20, 2018, 4:02 am

Any way to get higher res on images?
