Name
Hello, my name is Harry

Age
I am currently sixteen years old.

Skype name
My Skype name is *REMOVED FOR SAFETY - PM FOR IT.*.

Why Do you want to join?
I would like to join because my night are relativity boring, I would love to talk to some people, whilst either gaming, or coding. Being on your own for hours on end can be boring, and whatever you are doing can get tedious.

Anything Else?
Even though I am new to the forums, I would class myself HQ, I also would class myself as as a

respectful member, my grammar is decent, and I am also looking to upgrade to L33T, on either Wednesday or Thursday, also I am from the United Kingdom, specifically England.

Thanks, and Good Luck to all planning on joining.

Personally i don't think giving out your skype to everyone on HF is a good idea unless you are behind reliable sock's proxys
