chere ;)

Deeprockk - March 3, 2010, 5:20 am

just needed one for gmail...
which i didnt find there..:(

Null - March 3, 2010, 5:26 am

try to use a keylogger
its the best way

;)

-mothered- - March 3, 2010, 5:46 am

An oldie off a torrent site, but a few useful progs.

Shooterexn - March 3, 2010, 12:01 pm

good work, but i need to found one gmail keylogger too D:

catchyanow - March 3, 2010, 12:27 pm

very nice collection

Mr.GoD - March 3, 2010, 12:47 pm

There needs to be more tools for aol there are like non

ragedyoenes03 - March 7, 2010, 5:10 am

Verry nice work man ;)

Xanat0r - March 8, 2010, 8:31 am

thank's a lot my friend

chiko24 - March 8, 2010, 11:10 am

its work ?
or not ??????????????

CyberM@X - March 8, 2010, 11:13 am

Lol first of all, please repost this lol, this will need to be scanned first of all. There is 90% of a chance that one of these applications is infected with a trojan / keylogger.

chiko24 - March 8, 2010, 11:21 am

jes you have right !!!!!!!!

my avira listed about 10 trojaner etc -.-

Siro007 - March 8, 2010, 11:28 am

epic fail -.- 14 trojans here at kaspersky

chiko24 - March 8, 2010, 11:29 am

hahahhahahhahahhahahhahahhahahhahahhahahhahah

My AV detected a Trojan.... Don't trust.

Recitile - January 8, 2011, 1:55 pm

You've gotten my dl, downloading. Nice pack! :D.

DirtyBirdy - January 8, 2011, 2:23 pm

my avira scan on the zip folder

The scan has been done completely.

- 0 Scanned directories
- 398 Files were scanned
- 63 Viruses and/or unwanted programs were found
- 0 Files were classified as suspicious
- 0 files were deleted
- 0 Viruses and unwanted programs were repaired
- 1 Files were moved to quarantine
- 0 Files were renamed
- 0 Files cannot be scanned
- 335 Files not concerned
- 42 Archives were scanned
- 0 Warnings
- 1 Notes

shame tho as i really wanted to try that remote anything just for fun however unsure as to whether to use anything this folder.

westiklod - January 8, 2011, 2:31 pm

lot of virus in it why do you upload viruses in it dont download this cause is full with trojans

removed wtf please reupload

anurag007 - March 12, 2011, 6:28 am

u can download it

just add new to the starting of the file

so the link is

http://new.#.com/dl/23767707/61889f2/Best_Hacking_Tools_-_85in1_by_les_fonctions.rar.html

Got the idea from Hf

I don't like your signature OP. Hacking other HF members is against the rules. I hope you get banned.

BumBumBash v2 - December 24, 2011, 6:29 pm

Good work if its really not infected for all who are scared of, VMWare before flaming.

josegarcia5843 - December 24, 2011, 9:49 pm

The download link does not work. At least for me. It only took me to the spam.com link.

Snapchat™ - December 24, 2011, 10:53 pm

All I can say is that these are fake. These company's cannot be hacked as you have to hack into their servers first wich is illegal, these tools are most likely a binded Keylogger/RAT.

Falgun - February 6, 2012, 1:34 am

can someone give me downloading link of this?
