What have you done for Hack Forums? Oh oops I kind of answered this question with the last reply. buttt I have done 8 Gamertag giveaways, and sold many gamertags without problems. Just an all around trusted active member.

Do you like The Empire? Who doesn't?

What are you going to do with your new instagram? Use it, I made an Instagram tried to get a name and it was taken so I instantly gave up. So If I could actually get one it would be for me only :)

Which Instagram do you want? Addictions

Why do you deserve it? Because I do a fair bit for HF and really would like an OG Twitter. Plus, I love you two. ;)

What have you done for Hack Forums? I feel I do a fair bit for HF. On top of leading a group (Rhythm), I actively participate in the HF News as the proofreader and an interviewer. I post threads (guides, tuts, giveaways) relatively frequently, although more-so in my groups nowadays. I've upgraded a bunch of members (must be over 5 now) and given away a fair few things also.

Do you like The Empire? Of course, otherwise I wouldn't be in it!

What are you going to do with your new Instagram? Use it, fo sho.

Which Instagram do you want? Addictions

Why do you deserve it? Depends on a lot, and what I've done in my whole life. Though in this situation, I don't see any reasons to give on why I deserve it.

What have you done for Hack Forums? I'd rather not have to go back and look through everything. Though I believe my count is self explanatory (in a way). I've helped people setup CyberGate rat, it's still popular; the thread has almost 800 replies. I've helped people in the inneudo section with problems, I've debated in SRPP meaning I've learned and helped others, I helped tons of people in the Beginner Hacking section a while back, etc.

Do you like The Empire? Yes, I mean they're giving out free accounts and helping the community feel happy well in this giveaway. So I don't see why I wouldn't, though I have yet to see empire around more.

What are you going to do with your new instagram? Post pictures of weed, alcohol, etc. Like "addictions".

St. Jiberish - October 26, 2012, 1:08 pm

Why do you deserve it? I want to have a decent Instagram really, I am insanely active on there, with

What have you done for Hack Forums? Countless giveaways, I've helped tons of members over skype and through pm, and if it is worth anything, I have no scam reports.

Do you like The Empire? Yes

What are you going to do with your new instagram? Make it my main and be boss with it.

Rugby - October 28, 2012, 5:53 pm

Which Instagram do you want? stitches

Why do you deserve it? Because I have had to get stitches 3 times in my life ? And I can relate to it.

What have you done for Hack Forums? I have written 1 HQ eBooks. I plan on doing a lot more, though.

Do you like The Empire? Of course <3

What are you going to do with your new instagram? It'll be my first ever instagram account, so I'll probably just use it for taking pics :)

Reanna - October 28, 2012, 8:25 pm

Which Instagram do you want? I'd like any that aren't given, but if I had to choose, "haaf" looks nice.

Why do you deserve it? I would really love to have an original instagram name instead of "rrreanna." I spend a lot of time on instagram.

What have you done for Hack Forums? Honestly nothing. I'm a new fag and I don't really have any special giveaways or talents to offer. I really enjoy the SRPP section though and contribute a lot to that section. I'm also interested in learning about keylogging, but I'm a bit slow and stupid in that area.

Do you like The Empire? yess, Empire is the sexiest shit around, and I'm straight for 630.

What are you going to do with your new instagram? Post pictures, use it, brag to my friends,

Chief - October 29, 2012, 5:50 pm
