Thread: [Where can I find similar icons?](#)

redpois0n - October 26, 2012, 11:00 am

Hello! Where can I find similar icons to this?

I have tried googling it but cant find any that matches, mostly gets this

I mean websites where I can find similar icons like those.

And I know how to save a image, but I want similar icons with different style.

For a graphic designer like you maybe ?

redpois0n - *November 24, 2012, 1:27 am*

Got them, Made them myself. Wasnt hard at all.

Thanks for the support.
