I love your layout and all your wonderful tuts, keep up the good work :D.

Notepad++ - October 29, 2012, 7:41 am

Thank you for this tutorial it has helped me a lot. Look forward to see more. I made this, lol

Sky-line - October 29, 2012, 7:43 am

Nice HQ little tutorial here. This is definitely going to help me out!

Reverse Engineer. - October 29, 2012, 7:43 am

Thanks for this HQ tutorial.

Im going to try it out

Sky-line - October 29, 2012, 8:13 am

OP, what font was used for the engraved text in your example?

Don't quite remember. Looks to me like Couture.

Detoxicate - November 10, 2012, 2:14 am

You're a legend, sick as hell... I've been looking for how to do this for a long time.

I can see by your signature and avatar you got it to work :)

Grenades - November 10, 2012, 3:08 pm

Nice work! Thanks, probably will use this for my graphics class :)

Atharva - November 11, 2012, 1:23 am

Short but nice tutorial.

Can be used to create signatures & logos .

Thanks !

kaiyokoon - November 12, 2012, 4:53 pm

Very cool effect, nice tutorial! Seen a few signatures using this effect and had to know how to do it myself lol.

Tech - December 8, 2012, 6:45 pm

Glad to help. I can see it assisted you with your signature.

Issvor - December 17, 2012, 11:15 pm

Oh my god, thank you! I've been trying to figure it out my self, but I've been doing some non-useful layers.

Bad Meets Evil - December 18, 2012, 10:20 am

Yeah, it is simple but there are many people who need to know these things.

fbiotai93 - December 20, 2012, 5:11 am

Wow Really Nice..And Nice Work I Want To try it...:) thanks for the tutorial

Niko its Roman - December 21, 2012, 12:09 am

drewkasp - February 28, 2013, 11:00 pm

With what program can this be done?...can it be done with paint?

Bad Meets Evil - February 28, 2013, 11:37 pm

(Mar 1, 2013 12:00 AM)drewkasp Wrote: [\[CITE\]](#) With what program can this be done?...can it be done with paint?

No, all of my simple tutorial series are made for Photoshop. You would need to put in a lot of effort to make text like this in paint.

?NoShame - March 1, 2013, 4:10 am

Wow dude, this looks amazing, will be trying it soon and posting it as my sig!

CheeSe... - March 2, 2013, 4:52 am

Thanks! This is a lot of help anymore simple tuts?

Mahdy - July 13, 2013, 1:45 am

What color did you make your text?

This is what I got using a lighter grey.

The effect is better when you choose a grey that is darker than the surrounding colour.

Factorie - July 14, 2013, 6:44 pm

Very great tutorial have figured it all out within 10 minutes.

DS7X - December 5, 2014, 3:16 pm
