Activities explained:

Spoiler [\(Click to View\)](#)

???

Candy Jar

We've got a picture of our candy jar which contains candy that users will need to guess the amount of candy pieces within the jar. One guess per user, and the amount of candies within the jar is 1-100. Remember things aren't always what they seem.

???

Best Halloween Mask/Costume

So, some of you may still go out for Halloween, some of you may not. Regardless, we've decided to have a costume/mask contest for you all. If you've got a mask just sitting around, put it on and send it in. Note that you **MUST** prove that it's you in some shape or form or you will not be entered to win.

???

Best Halloween artwork

This is something almost anyone can do, even if you're not good with graphic programs, grab a pencil and paper and get to work. ANY form of Halloween art will be accepted for this, although again, you **MUST** prove it is your work somehow.

???

Best Halloween rap/poem

This is for the users who are enjoying the newly added rap battles section, or for users who are good a poetry. Just send in a poem/rap Halloween related, and you can be entered to win a prize. The work must be created by you and you only, no help.

How winners will be selected:

Prizes won't be selected like our last activity like this, the twist this time is that just like when you're trick or treating, you never know what you'll get. This is the same when it comes to the prize you're going to win.

For our Candy Jar contest, each user who correctly guesses the amount of candy in the jar will win a prize, regardless of how many users guess correctly. For all three of our Best Halloween Mask/Costume, Best Halloween artwork & Best Halloween rap/poem, members from our group will decide together who the winners will be. Each winner will also get a prize, and again, it could be anything from our list.

For another twist, rather than so much treats, we've decided to trick, too. When we're picking winners, we'll announce them all at once. On the list of winners for each contest, there will be one member who isn't actually going to win, they'll be tricked. Which means, don't enter if you easily get pissed off and cannot take a joke. ?

Thank you Impulsee for designing our banner

(he is our official group designer)

& thank you to the many wonderful ppl who contributed and have helped to make this possible.

Halloween in my mind, it is so damn scary

But somehow it is the opposite story

I bet you'll be more scared watching Tom and Jerry Halloween series

Than seeing dwarves and cutie fairies

I don't know what's the show

Is this the audition for The Snow White show?

Business mans broke it, true essence of Halloween is gone

Greed made it, now I want to shoot them with a gun

Going to call Muck Olla, to show this little hollas

That Halloween still exists and nothing could ever make it twist.

BLKLXVESMATTER! - October 29, 2012, 9:06 am

Rap/Poem:

You can call me Paranormal, because I cause the Activity.
It's Friday the 13th, & my dreams are actually killing me.
Are you kidding me? I just bought a box set it's the entire trilogy.
Watching a movie & these kids be like "Trick or treat!?"

I ignore the door, so they be playing tricks on me.
Like the kid who played a trick on the big Omni.
Pretended to be a member of the FBI.
Except he never fed him an Extra Terrestrial lie.

They teepee'd my house & threw eggs at my door.
I could have sworn one went through the window & landed on my floor.
So I went crazy and said "Don't make me get mad at ya".
So I revved up my chainsaw & chased ya, like it was a chainsaw massacre.

Then I got the police called, but I got caught, when they saw a pair of feet crawl.
From my kitchen, to the stairs & all across the hall.
They hit me with life, but tonight is the night I'm breaking out of this fight.
Cause I can no longer stand being in this cell only seeing an ounce of light.

I'm coming for ya, I'm hunting you down.
I'mma burn down every single house in ya town.
Cause you pissed me off & you got me caught.
I'mma launch your body into space like an astronaut.

On a scale of 1-10 what would you rate your work:
I'd honestly say inbetween 7-9.. Let me know what you thought.. Thanks. Happy Halloween. ?

Blint - October 29, 2012, 9:24 am

It's that time of year, when you give kids fear,
I'm egging pricks houses, giving them nightmares,
I'll kick down your door, I don't play fair,
Guy Fawkes mask, I know you're getting scared.

Dark hoodie, dark tracks, walking down some rundown flats,
Past a ['Cabin In The Woods'](#), hear a screeching from some bats,
Ain't talking no [THX 3D](#) on my forty inch TV,
You'll be phoning home, [like E.T.](#)

You hear a knock on your door,
And you grab your chainsaw,

As soon as you open, I kick you to the floor,
I ransack your house and rummage through your drawers.

I find a gold watch and a 1980 fork,
I observe it's sharp ends and stab you like a pork,
I rip you a [new heart](#) and run out your door,
But if you chat shit, I'll be back for more.

This rap was only a joke,
Made a remix like '[The Poke](#)',
But don't say it's shit,
Or I'll catch your mum doing [deep-throat](#).

LOL.

Rap/Poem:

Thrice the brindled cat hath mew'd.
Thrice and once, the hedge-pig whined.
Harper cries:—'tis time! 'tis time!
Round about the cauldron go;
In the poison'd entrails throw.—
Toad, that under cold stone,
Days and nights has thirty-one;
Swelter'd venom sleeping got,
Boil thou first i' the charmed pot!
Double, double toil and trouble;
Fire burn, and cauldron bubble.
Fillet of a finny snake,
In the cauldron boil and bake;
Eye of newt, and toe of frog,
Wool of bat, and tongue of dog,
Adder's fork, and blind-worm's sting,
Lizard's leg, and owlet's wing,—
For a charm of powerful trouble,
Like a hell-broth boil and bubble.
Double, double toil and trouble;
Fire burn, and cauldron bubble.
Scale of dragon; tooth of wolf;
Witches' mummy; maw and gulf
Of the raving salt-sea shark;
Root of hemlock digging in the dark;
Liver of blaspheming Jew;
Gall of goat, and slips of yew

Sliver'd in the moon's eclipse;
Nose of Turk, and Tartar's lips;
Finger of birth-strangled babe
Ditch-deliver'd by a drab,—
Make the gruel thick and slab:
Add thereto a tiger's chaudron,
For the ingredients of our cauldron.
Double, double toil and trouble;
Fire burn, and cauldron bubble.
Cool it with a baboon's blood,
Then the charm is firm and good.

Halloween Rap/Poem #1:

You can call me Paranormal, because I cause the Activity.
It's Friday the 13th, & my dreams are actually killing me.
Are you kidding me? I just bought a box set it's the entire trilogy.
Watching a movie & these kids be like "Trick or treat!?"

I ignore the door, so they be playing tricks on me.
Like the kid who played a trick on the big Omni.
Pretended to be a member of the FBI.
Except he never fed him an Extra Terrestrial lie.

They teepee'd my house & threw eggs at my door.
I could have sworn one went through the window & landed on my floor.
So I went crazy and said "Don't make me get mad at ya".
So I revved up my chainsaw & chased ya, like it was a chainsaw massacre.

Then I got the police called, but I got caught, when they saw a pair of feet crawl.
From my kitchen, to the stairs & all across the hall.
They hit me with life, but tonight is the night I'm breaking out of this fight.
Cause I can no longer stand being in this cell only seeing an ounce of light.

I'm coming for ya, I'm hunting you down.
I'mma burn down every single house in ya town.
Cause you pissed me off & you got me caught.
I'mma launch your body into space like an astronaut.

On a scale of 1-10 what would you rate your work:
I'd honestly say inbetween 7-9.. Let me know what you thought.. Thanks. Happy Halloween. ?

Halloween Rap/Poem #2:

Where are, the sounds of death?
Children surrounded by crack & meth.
Halloween shakes the earth the best.
It's the darkest holiday of the rest.

This halloween was rather silent.
A lot less children, but much more violent.
The streets were filled, with hooded teens.
Throwing eggs, and stealing trees.

They hide behind their masks & hoods.
Behaving like they think they should.
The parents thinking they're having a fun time.
But instead they're ruining their lives with one crime.

Throwing eggs, and smashing windows.
Destruction like when Sandy's wind blows.

Knocking on doors, but running away.
Parents leading their children a stray.

The kids are at home, bored, watching Tweenies.
Teens out causing trouble & stealing their sweeties.
Their not knocking & saying Trick or treat.
If you open, you'll have eggs & flour hit your feet.

The teenagers will never surrender.
So go to your room & launch up Slender.
It's the only fun thing to do.
Be careful though, he's on to you!

Hope you enjoyed my poem. ?

So I went crazy and said "Don't make me get mad at ya".
So I revved up my chainsaw & chased ya, like it was a chainsaw massacre.

Then I got the police called, but I got caught, when they saw a pair of feet crawl.
From my kitchen, to the stairs & all across the hall.
They hit me with life, but tonight is the night I'm breaking out of this fight.
Cause I can no longer stand being in this cell only seeing an ounce of light.

I'm coming for ya, I'm hunting you down.
I'mma burn down every single house in ya town.
Cause you pissed me off & you got me caught.
I'mma launch your body into space like an astronaut.

On a scale of 1-10 what would you rate your work:
I'd honestly say inbetween 7-9.. Let me know what you thought.. Thanks. Happy Halloween. ?

Halloween Rap/Poem #2:

Where are, the sounds of death?
Children surrounded by crack & meth.
Halloween shakes the earth the best.
It's the darkest holiday of the rest.

This halloween was rather silent.
A lot less children, but much more violent.
The streets were filled, with hooded teens.
Throwing eggs, and stealing trees.

They hide behind their masks & hoods.
Behaving like they think they should.
The parents thinking they're having a fun time.
But instead they're ruining their lives with one crime.

Throwing eggs, and smashing windows.
Destruction like when Sandy's wind blows.
Knocking on doors, but running away.
Parents leading their children a stray.

The kids are at home, bored, watching Tweenies.
Teens out causing trouble & stealing their sweeties.
Their not knocking & saying Trick or treat.
If you open, you'll have eggs & flour hit your feet.

The teenagers will never surrender.
So go to your room & launch up Slender.
It's the only fun thing to do.
Be careful though, he's on to you!

Can't wait to see who wins. This has been a fun contest.

I enjoyed writing my rap, writing my poem, drawing my zombie & guessing the candy jar.

Hopefully I win an upgrade though, I want it so badly.

I have \$10 that I've been saving up slowly, so if I do end up winning then just send me the remainder & I'll purchase myself. (That's if I win)

Thanks for the contest 143! ?

Common everyone, you all can still apply for everything, but the following:

Rap/Poem Contest.

Daisy's autograph Contest.

You can still get a chance to win! Good luck everyone, best of luck to you all! ?

Read the bottom of the OP inside the spoiler where it says "Winners" that should show who won for which part of the contest.

I think it was done already, but just double check.

The ones I know that are available are:

Candy Jar.

Halloween drawings/GFX

But just check the OP to make sure. ?

EDIT: I just checked the OP & that contest has been announced already.

Please share though, it'd be fun. Try entering for the remaining contests too, you have until tonight. ?

Yes they've already picked the winner for that category. I was choose the winner of that. You can check the winners of each category, already picked, in the OP. It's located here:

Quotes taking directly from Cody and Daisy, them selves about the costume/mask winner.

Wow, i'm pretty shocked. I didn't really think about it much, but I did something kind of creative

when guessing. I figured it had to do something with 143 or so I hoped. I subtracted the 1 and 3, and left the 4 as the second number and got 24. And it didn't seem like it was any higher then the 20s ?
