Thread: [Free Sikandar Crypter Startup/antikiller..](#)

UberNuber - October 29, 2012, 4:25 am

Hello HF,

Hope you will like Sikandar updated crypter Its not fud.

IT has Startup/assembly changer /file binder and many options more Good luck with spreading :)
Use it on VM or sandboxed it will be more safe good luckk :))

I would be hesitant about downloading this guys. About 90% sure it's infected.

azarah - October 29, 2012, 4:31 am

Great crypter! But it isn't fud :((

About 90% sure it's infected.

He is just releasing something that is a long time public.

UberNuber - November 4, 2012, 12:41 pm

i wanted only share it its already a public crypter just cracked version and not infected i never infect hf members ;)
