Goodies - October 29, 2012, 9:57 pm

I would love to join. I am an experienced web designer and a pentester. I love hacking not always for evil though XD just to learn vulnerabilities and gain deeper knowledge of the inner workings of the Internet. I don't care if you accept me or not. My skills are useful and I often work with others anyways. It would be cool though :)

Languages I Know:

HTML, CSS, php, MySQL, java, c#, vb.net, c++, JavaScript, batch, python, and am learning C but its really easy XD

Also experienced with Linux. Most distros but I work mostly with Ubuntu and backtrack :)
