Congratulations man,

You are doing a great job by this giveaway. You must have made a lot of money since Dec,11. You have become a sort of roll model for me and I really appreciate your work. Just one thing, don't fall prey of e-whoring during these giveaway. Rest I know you will reward the most deserving HF members.

About 3 years ago i was IMing some guy, who supposedly said he was 14 and smoked alot of ganga.

He said he has over 5 pounds of weed in his garage, and he said he threatened to kill his parents if his parents told the police.

I told him to IM me a picture of him with some of his weed.

Congratulations man!

That's a pretty big milestone.

Thanks for giving us the opportunity to win one of these accounts, I'd like to share a joke I found while googling. Lol

"One night a policewoman pulls over a drunk driver.
She politely asks him to step out of his car. He willingly does so.
She says, "Anything you say can and will be Held against you."
He replies "BREASTS.""

Good day.

The phone rings at FBI headquarters.

"Hello?"

"Hello, is this the FBI?"

"Yes. What do you want?"

"I'm calling to report my neighbor Adrian Thibodeaux! He is
hiding marijuana inside his firewood."

"Thank you very much for the call, sir."

The next day, the FBI agents descend on Thibodeaux's house. They
search the shed where the firewood is kept. Using axes, they bust
open every piece of wood, but find no marijuana. They swear at
Thibodeaux and leave.

The phone rings at Thibodeaux's house.

"Hey, Adrian! Did the FBI come?"

"Yeah!"

"Did they chop your firewood?"

"Yep"

"Great, now it's your turn to call. I need my garden plowed."

I would like to be in this
my joke:

An American tourist goes on a trip to China. While China, he is very sexually promiscuous and does not take precautions. A week after arriving back home in the States, he awakes one morning to find his penis, covered with bright green and purple spots.

Horried, he immediately go to see his doctor. The doctor, never having seen anything like this before, orders some tests and tells the man to return in a two days, for the results.

The man returns a couple of days later and the doctor says,
"I've got bad news for you. You've contracted Mongolian VD. It's very rare and almost unheard of here. We know very little about it."

The man looks a little relieved and says
"Well, give me a shot or something and fix me up, doc."

The doctor answers
"I'm sorry, there's no known cure. We're going to have to amputate your penis."

The man screams in horror,
"Oh no! I want a second opinion!"

The doctors replies,
"Well it's your choice. Go ahead if you want, but surgery is your only choice."

The next day, the man seeks out a Chinese doctor, figuring that he'll know more about the disease.

The Chinese doctor examines his ****, and proclaims
"Ah yes, Mongolian VD. Velly lare disease."

The guys says to the doctor,
"Yeah, yeah, I already know that, but what can you do? My American

doctor wants to operate and amputate my penis!"

The Chinese doctor shakes his head and laughs,

"Stupid American doctor! American doctor, always want to operate. Make more money, that way. No need to to operate!"

"Oh thank God!" the man replies.

"Yes" says the Chinese doctor, "You no worry! Wait two weeky, c#ck fall off by self!!!"

that took me long time to think of hope i win

Btw congrats 1,337 post

A joke:A young blonde woman is distraught because she fears her husband is having an affair, so she goes to a gun shop and buys a handgun. The next day she comes home to find her husband in bed with a beautiful redhead. She grabs the gun and holds it to her own head. The husband jumps out of bed, begging and pleading with her not to shoot herself. Hysterically the blonde responds to the husband, "Shut up...you're next!"

And also as story.

One time last year (my senior year of school) i rigged all of the laptops on my schools local network to run a VBSCRIPT at exactly 11:20. (this was half way through my computer class). and at that time EVERY computer in the schools disk drives opened+closed rapidly! lol and my laptop was the only one that did not :D they still didn't catch me. Most funny thing ever! i felt like a bawse!

I really want to win an account so I can add it to the list for my giveaway which I'm launching soon.

I personally have no real use for the Steam account, but that is why it's going into my 'huge' giveaway once I have enough stuff to give out.

Here's a list of things I currently have for my giveaway:

- 2 XBL Gamertags (OG/Semi)
- 5 XBL 48 Hour Trials
- 4 Steam accounts with decent games
- 1 Crysis 3 Alpha Key
- 1 Partnered Youtube Channel

Hopefully I can add another account to that list to make even more members happy.

I have learned to give, rather than just to take.

If I want something, then I must learn to give first.

Thank you very much for this giveaway, it is very kind of you & I'm sure that each & every winner will be very pleased with whichever prize they win.

Good luck everyone.

Thanks. ?

Here's a link to a website that contains the

8.82 gigapixel picture of the center of the milky way (from our POV)

A Giigantic picture, all put together as one.

We're talking about nine billion pixels here, a 108 500 by 81 500 pixel image.

You can literally zoom in closer and closer, and you will see more clearer insights of stars further into space.

it's spectacular ! You should check it out :D

Beautiful stuff.

I told him to IM me a picture of him with some of his weed.

So here's a joke that I hope makes you laugh.

A vampire walks into a bar and asks for a cup of hot water.
The bartender says, "Here, but I thought that vampires drank blood."
The vampire pulls out a bloody tampon and says, "We do. I'm having tea."

A woman gets on a bus with her baby. The driver says: "Ugh, that's the ugliest baby I've ever seen."

The woman walks to the rear of the bus and sits down, fuming. She says to a man next to her: "The driver just insulted me." The man says: "You go up there and tell him off. Go on, I'll hold your monkey for you"

I really hope I can get an account :) This is my (short) story.

So I was e-whoring to get some money (to buy steam games infact) when I came across someone in a chat room named Michael (My step dads name) He was interewsted in buying some nudes and shit so we go threw it all and he says he wants to purchase some pics, he sent me \$5.00 over paypal and I sent him the pics, the email he used for paypal turned out to be my stepdads email, he was away on a business trip, so I called him on his phone, to see what he was doing, like how he was going and he answers saying he is busy, so I'm like, don't empty your paypal account, and he hangs up xD

I told my mom and she raged and dumped his ass, luckily she didn't ask how I knew xD

Please could I have an account

This is what i got :)

A man came to work on Monday morning with two black eyes. His boss asked what happened.

The man replied, "On Sunday, I was sitting behind a big woman at church. When we stood up to sing hymns, I noticed that her dress was caught in her butt crack, so I was trying to be nice and I pulled it out for her. Then, she turned around and punched me in the eye."

The boss asked, "Okay, so where did you get the other shiner?"

"Well," the man said, "I figured she didn't want it out, so I pushed it back in."
