I'm 3 episodes in, and I don't know why that show is considered "good"...

CorrosiveBlueberry - May 15, 2016, 7:22 am

There is actually a season three sorta , a 4-5 episode ova series called Robertas revenge if you end up wanting more

ankithosya - May 15, 2016, 7:34 am

Thanks for this.. I really like black lagoon. Didn't knew about the ova.

Though I feel bad that revy and rock romance never processed much.

6 episodes in, and I still don't see any kind of romance. I think I'll just watch the first season because I hate dropping series, but that's it. I have no idea of how the show got a rating that high on MAL, but it's clearly not worth it in my opinion.

Black Lagoon isn't a romance.

It got a high rating on MAL because it's a really good action-packed thriller with a solid dub and a fantastic OVA.

Damn I loved that OVA.
