Why the hellz do you say you're leaving then do this? You play mind games. :(But good job.

Krew - November 3, 2012, 3:32 pm

Great job Dan. However, you are admin on bugabuse right? Could you tell me why I got banned like literally 1 minute ago?

Tony is having IRL issues, and Chris isn't on to sort anything. I'm banned too, so you'll just have to wait it out.

Ah alright. I will wait it out then.

Are you planning on sharing the DB's?

I'll most likely clean them then share them.

Exzib - November 3, 2012, 3:40 pm

Never heard of that forum, oh well, good job!

Mezmariiz3d - November 3, 2012, 5:19 pm

Sick how you keep getting these lol. Keep it up :).

Wow your so good Dan! Amazing what you've done.

I'm curious how you do it. I would be very happy if you could tell me roughly how you do it, over PM
:-)

I doubt Dan will tell you that :).He's probably still kicking himself for releasing all his 0days...
He obviously kept this one private though ;(
