Someone is working hard.

You must have so many potential runescape accounts.

Murky. - November 3, 2012, 9:36 pm

Very nice deface page Dan! Goodluck with future defaces.

Light Yagami. - November 3, 2012, 9:40 pm

I wish i was as good as you and Also nice job bro

Catzbow - November 3, 2012, 9:57 pm

Well, It's not bad and nice Dan, Thank you for the sharing :3.

Nice Dan,

I saw many hacks from you lately. Your targets are mostly running IP.Board If I am right?
Did you find some exploit in the software or are these just vulnerable plugins?
