Thread: [Just Got A Free Pair of Shoes!](#)

**Ajhusshi** - November 4, 2012, 5:02 pm

Hey guys,

I just got back from the mall, and I received a free pair of shoes from Footlocker!

I was going to purchase the shoes regardless, but I decided to drop a tack inside the shoe and slip my foot in it.

The tack pricked my foot, and made me bleed so I flipped out on the employee and long story short the manager let me leave with them for free :)

Thats awesome, haha. I need to try that sometime. (: no pain no gain!

OMG xD

That's so clever, I am to chicken to try that though. I don't wanna bleed :(

The real question is... why weren't you wearing socks?

Vouch for Minnesota Nice.

Seller seems fishy though, scammed footlocker out of free shoes. Proceed with caution.

Don't see the issue with stealing shit, el oh el.

Numerous amounts of the things here revolve arorund stealing in some form.

Very well done.

**Ghettoking** - November 4, 2012, 5:21 pm

Post a picture of your new shoes (:

Edit; didn't see the picture, but flights are old af. Out-worn nd everything, that's just where i stay at though.

**Ajhusshi** - November 4, 2012, 5:28 pm

I love flights bro, I'm not into the whole Jordan swag fag thing.

**Omur** - November 4, 2012, 5:29 pm

Dude, nice shoes OP would try this though I don't want to make my foot bleed lol

**Cryptic™** - November 4, 2012, 5:31 pm

That is a very smart method, I hope they were expensive shoes

**5traX** - November 4, 2012, 5:51 pm

So much win.

Here in Bosnia there are lots of assholes working in stores so if someone would do that they would just let him bleed and not give a shit. :S

**Ajhusshi** - November 4, 2012, 6:13 pm

That sucks dude, you should still try it and see if you get away with it.
