make it pm and post only or a leecher protection..

LillenC - November 10, 2012, 5:24 pm

Thank you so much for the share dude! :D

xxI4stXx - November 10, 2012, 5:24 pm

Why did you upload it to virus total? =(now its not gonna be FUD anymore.

rifbl00d - November 11, 2012, 12:47 am

wow dude thank you so much!

message to short

ziocane74 - November 11, 2012, 12:53 am

51 mb ? oh my god....is that a movie or a crypter ?

alignment - November 11, 2012, 1:05 am

It's good but it's corrupting my DC file...

Weed Demon - November 11, 2012, 1:08 am

Kinda way too big for a Crypter dude..

oBlitzkrieg - January 1, 2013, 11:59 pm

The video has been 'terminated.' Thought I'd let you know.

arkoydas - January 3, 2013, 2:10 pm

Wow thank you very much bro it is very good!!

percroy2 - January 3, 2013, 4:56 pm

for darcomet, it's succesfull ?

Percroy

Youpi - January 6, 2013, 2:01 am

Thanks for this crypter ! But it's corrupt my DC !

etizolamvondor - January 7, 2013, 1:05 pm

Uhm, is this user a noob? I mean he uploaded to virus total...

Phoeni? - January 7, 2013, 1:08 pm

he didn't upload the server(rat) to virus total
instead he uploaded the Crypter.

who is noob now?

Blackdragon860 - January 7, 2013, 1:25 pm

thx very much, nice video..

i hope its successfull for darkcomet..

playthegame22 - January 7, 2013, 11:43 pm

thanks for the video tutorial

nice sharing

platti11 - January 9, 2013, 5:31 pm

nice thaaank you man you are the best :DDDD

who is noob now?He actually did stick the rat in -_- i dont think the crypter is called ps1.exe -_-

Nathank - January 12, 2013, 8:51 pm

is this a good crypter? i dont see many positive feed back lol.

cultivity - January 14, 2013, 4:51 am

(Jan 12, 2013 09:51 PM)Nathank Wrote: [\[CITE\]](#) is this a good crypter? i dont see many positive feed back lol.

^this. I'm looking for a crypter to FUD my darkcomet.

hellfire191 - January 14, 2013, 5:36 am

I have tried this crypter, but everytime i try and crypt a .exe file it just comes up with an error.

However, it does work nicely with text.

Thanks for the share op

Oh god haha "[TuT] Free FUD Crypter | 0/44 --->>>"VirusTotal" <<<---

....

virustotal.... fail

Anime Fanboy - June 1, 2014, 3:23 pm

hoped that is still FUD

..... :\

hahaha123 - June 7, 2014, 7:43 am

No upload files in virustotal ... this is a big Wrong!!!

SIM-1866423 - June 7, 2014, 8:11 am

Guys are u kidding? 2012 Crypter how can still FUD? lol wtf..??

Carpe-Diem - June 13, 2014, 5:02 am

Why can't somebody close this thread? :)

SIM-2339042 - July 26, 2014, 1:28 am

Why would? Is this thing working?!

Kinda suspicious about these things.. :P

hypercrit - August 28, 2014, 7:37 pm

Crypter isn't FUD, move along people!

2012 was a long time ago...

magicslurp - August 31, 2014, 11:10 pm

Lol, if you're using programs that old, you might want to update ;)

tognioO - September 2, 2014, 1:14 pm

Thank you Black HatBlack HatBlack Hat

xNickx123 - September 15, 2014, 6:53 pm

It said 0/55 on virustotal which made me happy at first... until i opened my crypted file and it said "This program is not recognized on your computer are you running a x86 or x64 computer?"

wowwwwwwww

moethebro - September 19, 2014, 9:46 pm

O wow! this is a really cool hack thanks for posting :)
