Thread: [AUTO BUY\[Cheap\] Effective Spreading Method. Almost 100% infect Rate \[Fast spreading\]](#)

?asp3r - November 11, 2012, 9:27 am

AFTER BEING LEAKED TO LF I FIXED THIS UP A LOT !

Put a lot more time into it and will be adding another method.

Price will go up, after realizing Leakers will leak. (no matter how cheap/expensive it is)

You can still purchase the old method, but in the next couple days the new one will be added.

E-Book on Spreading :

High Rate of infects

Simple and easy Set-up

Price: \$0.50 LR or \$0.65 Paypal

Paypal: PM

LR: message me on [-Redacted-](#)

(Nov 19, 2012 07:49 PM)Geekygeek Wrote: [\[CITE\]](#) Thank you so much for the e-book! It really helped me get more bots on jRAT and the spreading methods really work. The tutorial is easy to follow and really in-depth. It's a short e-book, but it covers a lot. It's only 50 cents, so why not buy? I wasn't disappointed :P

Can I please get one of those two vouch copies in exchange for a review?

Z

TooMuchBursty - November 15, 2012, 10:15 pm

I'd like a vouch copy, ill review. Thanks :)

Yoko_ - November 15, 2012, 10:15 pm

I might be interested once I hear some vouches :)

?asp3r - November 16, 2012, 8:52 pm

Update: I already sent out 2 vouch copies, the first guy never got back to me, and the second guy said he had seen it before. I'm working on perfecting a new method and will release it at the same price to those who asked first..

It may take upto a week for me to finish it.

Sorry about this, I just want to get out new unseen methods so people feel like they are actually getting something worthwhile.
