OMFG! Still no 35 characters! iBet they are now ;)I cannot accept you because you are too low quality of a member. First, learn to be high quality, read the rules, and.... for god's sake, don't do that stupid "35 characters" shit. -_-

Please! No religious fight on HackForums. Please! I am a Muslim too but I have never hated a Jewish or supposed that a Jewish will always be bad! There are Jewish people I met that are wayyyy better than Muslims I met (no offense!)! By the way I never expected so bad behavior by a Muslim! Also to be very clear please stop posting low quality posts!
