Thread: [? NOOB FRIENDLY? The Ultimate Noobs PPD Guide? \(No Post to download - DIRECT LINK\)](#)

Lloyd X - November 13, 2012, 1:20 pm

So I've written a small and badly put together eBook on how to make money with PPD websites, the eBook is nothing amazing, I literally wrote it out in about 15 minutes.. MAX.

It's for people who are new to PPD and want to earn an easy \$100 a week..

So here's the download link, as I promised no post and pm shite, have a nice read and enjoy the cash!

Download : <http://www.mediafire.com/?656wrr7ndqt7i4d>

Reply here with any questions you may have do NOT PM me I shall ignore you.

also make sure you post here to keep the thread alive!

A simple "Thank you for not making me post and pm you for this eBook love you" would be fine.

Seeing as this is 100% free.

htne - November 13, 2012, 1:56 pm

Great to see someone trying to learn!

Three things I can give you if you're just starting out!

1. Don't fall for the hype.
2. Knowledge is key (marketing knowledge is good knowledge)
3. Learn by doing, try things out, make mistakes.
