Ok so um, I'm hosting a contest.

What you need to do is sign-up on Loungeboards.net with this link -
<http://loungeboards.com/member.php?action=register&referrer=128>

After that, just make 1 introductory thread and that's it. That's all you have to do.

Make sure you use my link though.

No it isn't.

If it has a hacking section it is, if it doesn't, you're allowed. And no it's not, it's in the contests section... ???

On my way to the hospital now, I face palmed my self so hard I almost forced the bone through the back of my head.

I'll sign up Cuntest, but I don't want to join for the prize.

if u give that cents to all who makes a topic on that then it is good. ?

or if u want to select any1 then only refer link join is good

Under my ? - November 13, 2012, 6:42 pm

I'll probably lower it down to 10.

Also, thanks Real. <3
