BaussHacker - November 13, 2012, 10:17 pm

Does anyone know if there is any animes similar to Ore No Imouto Ga Konna Ni Kawaii Wake Ga Nai?

I found it to be one of my favorite animes of all time :3

There's going to be a sequel to it in Spring but i don't know any others other than "Kiss X Sis" which is quite similar.

Similar in what aspect? Incest? Animation style? Tsundere character?

They only share the ecchi/hentie tag, besides that they are completely different. The story line is nothing alike

Ore No Imouto Ga Konna Ni Kawaii Wake Ga Nai is not really ecchi though.

Oreimo has certain ecchi moments, but not enough to classify as ecchi. Very soft ecchi, in that case.

It has like 1 or 2 or something and nothing really serious ecchi moments like uhmm well I don't know how you can say it, but it's far from ecchi xD

I was referring to his posts in general. That one only shares the incest tag

Doesn't really help, because what I'm searching is not just a new anime to watch, but one with similar storyline/animation :D
