Why are they called 101 and 102? Just call them 1, 2, 3 and so on. It confused for at first I thought I missed 100 tutorials.

fireboy420 - November 17, 2012, 7:19 am

Hey great work. Can't wait for other videos as well?

NextGenHacking - November 17, 2012, 8:35 am

@owl it's called java 101 etc because when you start of java it insinuates that you are starting at the beginning, that's just the general terminology :)
