Thread: [\[FREE\] Glossy Metal Kit \[FREE\]](#)

CodeRedHF - November 19, 2012, 10:23 pm

Thank you for downloading my Metal Glossy Kit. This is my first Photoshop kit so all feedback is wanted.

==

KIT EXAMPLES

==

==

KIT CONTAINS THE FOLLOWING

==

- Metal Glossy ASL File
- Metal Glossy Example PSD
- Metal Glossy Example PNG
- README.txt with install instructions

==

INSTALL INSTRUCTIONS

==

- 1) Copy/cut the ASL file
- 2a) For 64Bit OS: C:\Program Files\Adobe\Adobe Photoshop CS6 (64 Bit)\Presets\Styles
- 2b) For 32Bit OS: C:\Program Files (x86)\Adobe\Adobe Photoshop CS6\Presets\Styles
- 3) Paste the ASL file inside that folder & you're done!

just awesome...just AWESOME..dude thank you for this

CodeRedHF - November 22, 2012, 11:56 am

No problem, so glad everyone like it. I may make another with more colors.

DatWolf - November 23, 2012, 9:44 am

I know this is a stupid question, but how do I use the metal glossy?

I recently got photoshop and I dont know all the controls yet I'm using cs5.1.

ZACH - November 24, 2012, 5:01 pm

Thank you SO much for this!! ily :]
