Other:

Shinzo/Mushrambo, since it was my very first anime and because it was fun to see people be killed when you're 6 years old.

The storyline really caught my attention as well.

Angel Beats! - November 20, 2012, 1:18 pm

JunkYard Dogg - November 20, 2012, 1:32 pm

Sorry we require 100 posts to vote in a poll. wtf is this? I can vote for the president of the united states, but not on the internet.

But anyway it's Dragonball Z

Nice comparison. Because they're totally related.

My apologies for the inconvenience but that is omni's rule, not mine. Your vote will be duly noted. Thanks for participating.

Twisted. - November 20, 2012, 2:47 pm

Probably Rurouni Kenshin, but

Sailor moon, Case closed (detective Conan), Inuyasha, Yu Yu Hakusho, and Tenchi Muyo come close.

Black Hole - November 20, 2012, 3:07 pm

Uh, Ruroni kenshin didn't come out in 1992, neither did Conan or Tenchi Muyo or Inuyasha.

Shinzo came out in 2000. That isn't even in the 90's lol. Much less 1992.

Sorun - November 20, 2012, 3:40 pm

Sailor moon, Gundam, and Yu yu Hakusho were all pretty good, but none of them effected my childhood as much as Dragon ball did. I'm pretty sure it's going to be the show I talk about when i'm with my grand kids. "Back in my day kids we had cool shows like a screaming homo erotic action series called Dragon ball Z."

Rakshasa - November 20, 2012, 3:50 pm

Legend of the Galactic Heroes
/thread

LotGH is an OVA series though, so it's a tight one between Hakusho and DBZ.. Guess I'll go with DBZ on this one.

Ohh, and Sorun.. Hey.

Dyme - November 20, 2012, 4:53 pm

I only started watching anime about a year ago, so none of these were really relevant at the time. Never seen any of them (well of course DBZ, but only a little bit).

Black Hole - November 20, 2012, 7:45 pm

Wow, this is a pretty good poll so far. Close race guys, get your votes in!

Tasemu - November 20, 2012, 7:49 pm

Out of those i say you cant be gundam. ^^

Was worth a shot, tough luck for me.

Ohh, and Sorun.. Hey.Hey,

You know it's your rep that had me post in AA today :3 Been busy with life and just didn't have much time to visit the forum :/ I really appreciate you noticed I was gone haha. I won't be back for a while longer, but during winter break I plan on coming back and catching up with all of you and all the series I have been missing. Also can't wait to have a AA secret santa this year, hopefully it will take place.

R?born - November 20, 2012, 11:34 pm

I chose dragon ball z :D just because it was my childhood

Programmargorp - November 21, 2012, 12:22 am

I voted for Shin Chan (cause it was the only one on the list that I knew LOL).

Should've voted other for Evangelion.

Evangelion came out in 1995, so...that wouldn't have even been a choice :p

NotYourNormalApproach - November 22, 2012, 7:07 am

I voted for Dragon Ball Z, because it was one of the first TV animes, I saw when I was little. That epicness.

tuonami - November 22, 2012, 9:27 am

I go with Dragon Ball Z to because it was one of the first anime I watched (it was even broadcasted on a popular television station here ^^)

Really - November 22, 2012, 9:44 am

I go with Mobile Suit Gundam since I watched it as a child and it was awesome seeing big ass robots shoot each other :D.

rinluvr - November 22, 2012, 9:49 am

DBZ and Yu Yu Hakusho were the shit. I used to watch them with my dad way back.

But I gotta go with Yu Yu Hakusho because that's the series that brought me back into my addiction.

SIM-1332014 - November 22, 2012, 9:57 am

I'm sorry for voting for Other

My choice goes to Hajime no Ippo

yeah i know it only came in 2000 yet the manga started in 1989 and it rocks so much

Arruke - November 22, 2012, 11:19 am

Yu Yu Hakusho for sure, will always be one of my favorite anime ever.

Yu Yu Hakusho FOR NOSTALGIA VALUES. I loved watching it as a kid.
