Kairo. - November 20, 2012, 5:09 pm

LOL 8-0 in Lemur's favor.

Let's all just face it, Lemus is superior,
sit back, watch him whip antigravity's posterior

That was really bad.
I'd love to enter, \$5 is a lot better than the \$1 I had Lol

carlos_matos - November 20, 2012, 5:09 pm

You fucking suck. Do you know why?
Because you are paying people to say that you're a good artist.

antigrav - November 20, 2012, 5:58 pm

Paying people to win now? Daaamn, bro.
Didn't know you wanted to win that bad.

?y?Ish? - November 20, 2012, 6:00 pm

Just voted for you, Lemur! (Also posted on the thread.)

Maple ?? - November 20, 2012, 6:01 pm

He is not paying to win, he knows offering a money award will attract more attention to his thread.

Editing the thread doesn't make it so that all the people that read it originally go back, unsee it, and read it over and then vote fairly.

Before I say anything, this is easily disprovable, and I've got no way to show that it's true; it's just a hypothesis.

I'm not saying that Lemur had these intentions in the first place, I'm just pointing this out because I'm bored, and I'll remove it if Lemur and Import ask me to.

"I'll pay you to vote, and I'm one of the two choices.

It's completely your choice for who you should vote for."

Only choices:

1. Read the huge rap-battle, vote for Lemur or Import. (50% of the people read it)

-->a) Vote for Import. (50% of the 50% (25% of the total) vote for Import)

-->b) Vote for Lemur. (The other 50% of the 50% (25% of the total) vote for Lemur)

2. Don't read the rap battle, and vote for Lemur solely because you're happy that he's giving you \$0.50. (50% of the people vote for Lemur)

Lemur: 75%

Import: 25%

$75=25*3$

Lemur's votes: $42/3 = 14$

Import's votes: $15(-1+1 = 14+1)$

The actual outcome of the battle:

--> Lemur: 14 votes.

--> Import: 15 votes.

Import wins by one vote.

Then I got my +1 rep from Lemur removed, and a -3 from him added, because my math doesn't make any sense to him... :/

Then, had to vvaste like an hour explaining it to him, and novv that I did, he decided to stop replying... :/

EDIT: Nevermind, he's been offline for 20 minutes.

People are just plain stupid. Fine, no more contests to the public, scratch that. ?
