Charismatic - November 23, 2012, 9:21 am

Hey guys it's me Charismatic doing an un-official post for AnimeFan. So AniFan has got some interesting shit coming up that you should all be aware of... First things first AnimeFan has launched it's new facebook page and twitter...

Links can be found in my signature or

<http://www.facebook.com/animefanme> - facebook

<https://twitter.com/animeFANme> - twitter

Please follow and like as all goodies will be posted there

Now for the good stuff

There are rumors floating around the darkest corners of AA that AnimeFan might be launching it's very own site that will be filled with updates, reviews and all those goodies that we as a group supply to AA. This does not by any means suggest that we are trying to brake away from the HF community or The AA community but if anything make both community larger. so keep an eye out for this my friends.

Goodies

Well The bells are ringing and Santa is checking his list that's right boys and girls Christmas is coming around the corner and Santa hates anime so Saint Charismatic is here to save the day with his gifts to us perverted lovers. I have not fully decided on the gift yet but i'm, thinking expensive and showy so again keep an eye out for that it will be great.

That's about it for now i guess ill catch y'all later

When you call us perverts, does that mean the present is going to be a dvd copy of a hentai?
