Thread: [WarZ Guest Pass Giveaway](#)

Ghetto~~ - November 23, 2012, 2:00 pm

I have 9 guest passes right now and I plan on giving them all away

Pick ONE out of the 9 and then pick a number 1-5

Here's an example

OMQ GUISE I WANT TO PICK NUMBER 3 ON GUEST PASS 5

See that?

Only picking one number for one guest-pass

Oh golly gee that was hard //sarcasm

Anyone failing to do that will be disqualified and I'm going to be really strict about that

I'm doing that because my last giveaway either I didn't explain clearly enough or they can't read

(Try and find an error <https://hackforums.net/showthread.php?tid=3042106> (Almost none of them PMed me))
