Thread: [@killstreak.org Emails!\(Create your own!\)\(50 cents!\)\(Paypal/LR!\)](#)

Xbox Live - November 23, 2012, 7:28 pm

Hello,

I am selling @killstreak.org emails. You may log into these with outlook/hotmail. You may also pick your own name instead of a pre-set email. Each email costs 50 cents via Liberty Reserve or Paypal. If you need proof that I own this domain, you may go to killstreak.org and it shows my name.

Thank You.
