Thread: [My VDS's speed? 0.0](#)

Webmasters - November 25, 2012, 1:14 pm

I was messing around and bought a VDS for 7 days.. Did a speedtest and I'm truly amazed.

[img]http://speedtest.net/result/2331516180.png[/img]

This is amazing!

Best regards,

Not bad but in my country we have an internet connection like this at home :)

Trinitite - November 25, 2012, 2:51 pm

What is a VDS? Sounds good tho :) tooshrt
