Skumzy - November 25, 2012, 10:45 pm

Hey everyone, I was searching through my computer to find something to give away, then I just remembered a method I use to make money. So I wrote a short tutorial and made it as simple as possible. I will usually reply within 24-48 hours unless I have no access to the internet. Sorry for any delays because my internet ran out for this month so it keeps connecting and disconnecting every few minutes >.<

This method does not involve:

- PPD
- E-Whoring

To get this, post and PM me. I will check if you have posted or not. If you do not do both you will not receive this.
