Im selling here my exploit pack..all proofs will be shown over team viewer only for serious buyers...

T3h Hack3r - November 27, 2012, 6:05 pm

Do you have permission from Paunch to sell these positions? Last time I checked he didn't permit users to sell them.

Yes

and here it is

I repeat again all users who need proof's and want to buy,they can contact me to see proff over team viewer..

and posting picture of my botnet is litle stupid and not secure...but i see on HF you need show all

soo there you go.

Hysteria™ - November 28, 2012, 6:25 am

I mean with 1 mil traffic you can get 100k/100 000 bots a day...

1 mil traffic is limit for all users who buy it...but i think they will run mostly 400-500 k per day.soo that will be about 40-50 k bots.

and thank you

Do you relize what did you said?

smoke - bot

andromede - bot

blackhole- exploit (that require update)

with cracked blackhole you will probably get 0.05 % infection rate ...

This is blackhole legit copy with fuly updates..and its FUD 0/37

Ch0nic - November 28, 2012, 1:11 pm

Then was is the current update of blackhole?

I will give you time to google it and ask people.

and thing is legit blackhole is refuded evry day...

and cracked one dont have refuding..lol -_-

Ch0nic - November 28, 2012, 1:18 pm

stop acting like a fucking fool I asked you new version of blackhole.
my job hear is done. Stop selling cracked shit everyone knows this is cracked now.

This is legit one ^^^^

And the new version is 2.0.1 So that is how I can tell this is cracked.

Lol...

okay man why you search for exploit
<https://hackforums.net/showthread.php?tid=3051714>

when you can use cracked ones? funny guyy

The thing is cracked exploits are detected from much antiviruses and

legit version of exploit is NOT DETECTED FUD
go and read litle..and try found parner who gona give you exploit :D
