I can't get enough. I'm from Britain personally, but this show is the best thing I've ever watched. So what about you guys?

also, favourite character?

Mine is probably Rick.

I honestly can't shake the feeling that the shows are staged. Even storage wars. Everything they find, talk about, and mistakenly discover is planned and scripted to make it more appealing. Fuck reality tv.

Don't really care for it, just more fake reality TV.

I can't answer this question until I have my internet expert come over and evaluate your question.

I guess you're right. But nevertheless, I've probably learnt more from the show than I have watching cartoons and what not.

It's very educational and fun to watch. I wish they would stop Chumlee from acting dumb (it's in the script).

There's videos of Chumlee getting into gang fights and what not. He's really not who he is portrayed to be.

The best I can do is \$500 for it. (resells for \$5,000)

Darc - November 27, 2012, 8:45 pm

Though real or not some of the shit they bring on there is cool as fuck. Although I hate all the characters

>Item worth \$5000 and the seller/Rick knows it.

The best I can do is \$75.

Being in the pawn industry (lol), you have to make as much money for as least money. It sucks, but it's what they have to do.

SuaveSalmon - November 27, 2012, 8:51 pm

That show pisses me off, all of them are so gross

Old man- Needs to retire, he drools on himself

Rick - Stupid, and an arrogant asswipe

Big hoss - Needs to workout, he is just absolutely nasty, just as the rest!

chumlee- plays stupid. He is actually very smart!

YES! I hate it, it pisses me off. Or when he rips people off for something since he knows they really need the money. He is a fucking dick!

Recoveries - November 27, 2012, 8:54 pm

This is one of the most funny videos ever.

ChumLee is the best character!!!
