PayPal Transaction Service

Are you selling a product and require a 3rd party to hold payments for you? I offer a very secure service with only a 5% fee. We can handle routinely as much as \$1,000 per day for as little as \$50.

Don't want your account to be banned? Limited or even permanently blacklisted from Paypal? Let me handle your payments for you!

0% Fee for first 3 clients (ub3r's & l33t's only).

Payments are made to a Australian Verified Paypal. The payment is held for 14 days prior to being released to you (to make sure no chargeback's occur)
